Notice of Impending Development
Buildings 319 and 325 Demolition Project

Pursuant to the California Coastal Act the University of California (UC) Santa Barbara has prepared and submitted a Notice of Impending Development for demolition of Buildings 319 and 325 on the Main Campus near the Campus Lagoon.

The Santa Barbara campus proposes to demolish two 700 square-foot one story structures on the Main Campus near the Marine Biotechnology Building. The buildings are dilapidated, beyond their useful life, and have been unoccupied for 12 months. The area will be restored with a small seating area and planted with native coastal sage scrub. The Notice of Impending Development is available for review at:
