Notice of Impending Development
Ellwood Marine Terminal
Tank Degas and De-sludge Project

Pursuant to the California Coastal Act the University of California Santa Barbara has prepared and submitted a Notice of Impending Development to degas and remove sludge from the decommissioned oil tanks at the Ellwood Marine Terminal site on the North Campus. The project will take approximately one month. The Notice of Impending Development is available for review at:

https://www.facilities.ucsb.edu/departments/campus-planning-design/current-projects under the North Campus tab.

For more information call 805-893-3796 or email shari.hammond@ucsb.edu.
